

CMS REQUIRED SUMMER READING

This summer CMS is requiring all incoming students to read a novel. Each grade level has selected a novel that will be used to kick off the 2017-2018 school year. Students should purchase a copy of this book and read it over the summer, and then be prepared to reflect on their reading during the first week of school. This novel will be incorporated into activities in all content area classes during the first weeks of school. The titles of the books can be found below. Purchasing the book online (i.e. Amazon.com) is the easiest option, but phone numbers are also provided for local bookstores that you may contact to order from as well.

EBRP LIBRARY SUMMER READING

We are also encouraging students to participate in the East Baton Rouge Parish Library's Summer Reading Program. Reading just one book over the summer isn't enough; students need to spend time reading all summer long so they do not lose the progress gained during the school year.
