

Central Middle School  
12656 Sullivan Rd., Central, LA 70818  
Susan Watts – Co-Principal, Jeremy O’Banion – Co-Principal

**January 9, 2018**

**Dear CMS Parents,**

**We are excited about the upcoming semester and are working hard to provide an educational experience that is second to none.**

**Something that is new this semester are the requirements for your child to attend a field trip, dance, or annual field day at Central Middle School. In order for your child to attend a field trip, dance, or annual field day, the student must have a D or higher in all classes and cannot have been suspended from CMS for any reason the entire second semester. CMS students must have a D or higher at the time the money and permission slip are turned in to the teacher for field trips, dances, or the annual field day. Students who do not have the required grades at the time will be given until the last date that the money for the particular event is due to bring up their grades. Please understand that if a student has fallen behind in their assignments and has late work to turn in, that this work may not be graded and entered into the grading system before the deadline of the field trip. It is the responsibility of the student to make sure their assignments are turned in on time.**

**Thank you for partnering with us to ensure that CMS continues to offer a world class education. If there are questions, please do not hesitate to contact Susan Watts or Jeremy O’Banion at 225-261-2237.**

**Yours in Education,**

**The CMS Administration**
